

# THE ADVOCATORS MISSION RESPONSE GUIDE

What does it mean to be an Advocate?

How do we make a difference with our words?

The Advocators comic book points to the impacts that can be made to break down barriers in our communities. The Mission Response Guide's mission is to bring our youth in transition to the table, identifying and advocating for solutions to barriers in their communities and lives. This tool provides a platform for their voice to reach the world and make an impact! \_\_\_\_\_
