

SESSIONS OF SUMMER

VIRTUAL 4 DAY EXPERIENCES

IN PERSON 4 DAY WORKSHOPS

FREE one week CareerBoost summer camp hosted by AccessAbility. Students with disabilities will be given an opportunity to preview various career industries with AccessAbility facilitators as they set out to explore their own career goals. Students will participate in a two hour workshop combined with games and activities.

Students and their families have the option of choosing which week they would like to attend and whether they prefer in-person or virtual sessions.
